Dear Mr. Fisher,

I'm certainly glad you were pleased with the 1423. She was the last Berkshire on the B&A and sat very patiently for her portrait in the spring of 1949. I only have one request to make. When this, or any other cover I might do for you is printed, could I please have three extra copies of the cover only. Thank you.

If you have any ideas for future covers, please let me know, otherwise I may do a B&M 3600 or 4100 when I get a chance and send it on to you for future use.

Your article on the Pennsy. locos is really fine and I'm looking forward to the following ones.

Merry Christmas

and a

Happy New Year
